

**ACTC**

# Talk of The Town Package

## About Us

**My Pulse Radio** is South Carolina's only known high school student-run radio station and has won numerous national awards, including winning Best High School Station in the nation three times. You can listen anytime at [mypulseradio.com](http://mypulseradio.com) or via the TuneIn app.

**The Pulse Sports Network** live streams sports from our high schools. It has won multiple awards, and provides live production experience to students through work on cameras, directing, graphics, and announcing.

This fundraiser is unique in that we are not just asking for donations, but rather investments in our training which will in turn support the businesses that choose to donate to us!

contact us at  
[info@mypulseradio.com](mailto:info@mypulseradio.com)  
or (864) 847-4121
